

Alive...Against All the Odds!

"And if the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies through his Spirit, which lives in you." Romans 8:11 (NIV)

Jesus' Resurrection Was a Longshot.

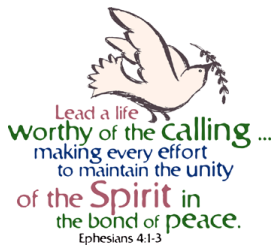

The very **same power** that raised **Jesus** from the dead is now available to us, so that **every follower's life** can become a **longshot**.

Do You Feel That the Odds are Stacked Against You in Some Area of Your Life?

Easter should remind us that **longshots still happen**, even for those who have odds stacked against them in areas like these:

1. Those who grew up in a _____ that didn't work well.
2. Those in need of _____ because of a devastating loss.
3. Those crippled by a destructive secret _____.
4. Those with a case of _____.

On Easter Sunday, the Bible says the same power that brought Jesus back from the dead is available to empower your life to serve a higher cause.
